

100+ Women Who Care About Clay County is a group of women who gather 4 times a year for a 1-hour meeting to learn about local charities and donate \$100 each time. This combined donation of \$10,000 (\$40,000 annually) makes a significant impact without time-consuming fundraising events and planning.

How it Works

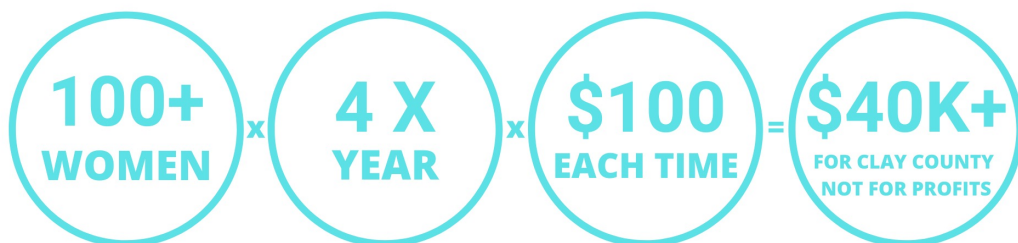

- 1 Each member nominates a Clay County not-for-profit
- 2 Of those nominations, 3 are chosen randomly to present information about their work
- 3 Members determine award amounts through votes
- 4 Members celebrate the not-for-profit work and learn how they can be involved
- 5 Repeat this cycle 4 times annually

Goals

- Inspire deeper levels of involvement with Clay County not-for-profits
- Financially support and advocate for Clay County not-for-profits
- Maintain a zero budget through volunteer efforts and community support
